Happy Christmas to Hightown

Editor's Letter December 22/January 23

Hello and welcome to the Christmas issue

In the beginning was the Word, and the Word was with God, and the Word was God. He was in the beginning with God. All things came into being through Him, and without Him not one thing came into being. What has come into being in Him was life, and the life was the light of all people. The light shines in the darkness, and the darkness did not overcome it. (John 1.1-5)

These are the momentous words I have listened to, each Christmas, since I was a child. Even as a rebellious teenager, these powerful words, without fail, sent shivers down my spine. Each year, they retain their ancient ability to startle me and invoke in me a new sense of awe and wonder; each year, humbling me and affecting me most profoundly. In these poetic words, John, the author of the fourth gospel of the New Testament, is recording a world-shaking shift in the human conception of how things came about and who Jesus really is. They are deliberately precise and to the point, and immerse the mind in the cosmic, the mystical and our evolutionary beginnings. And there, in the immensity of it all, is Jesus, scattering universes, the light in the darkness. We need to give ourselves time to allow these words to haunt our imaginations. In these sublime words John testifies to the truth that something of monumental significance has occurred amongst us. Then, and only then are we able to see, with new eyes, the baby Jesus born in a stable in Bethlehem. At once, our creator, saviour and brother. What better reason to joyfully celebrate at Christmas!

Wishing you all a happy and blessed Christmas,

Colette

Letter from Michael Cudby, Church Warden

The winter season is now upon us. Seems not that long ago we were collecting pumpkins from the fields in Hightown. Now we turn our attention to the season of giving but where do we start?

Every year we start a little earlier. Christmas shop displays start in September and Christmas present lists are never quite finished until the last item is bought on Christmas Eve. For one reason or another most of us get it wrong. The Bible sets the marker for the birth of Jesus; we are told that shepherds protecting their flocks saw angels in the sky summoning them to Bethlehem, and we are told that three wise men were travelling in the desert, following a star, in order to find Him and present Him with gifts of gold, frankincense and myrrh. Jesus' birth is understated, his mum and dad were poor, and could not find accommodation, except an offer from a peasant to share a stable with his animals. And yet these portentous, celestial signs would seem to point to a much grander birth than that of Jesus. God's gift to humanity: Jesus. Coming back to Christmas and our love of giving; Do remember in your prayers, this season, the beauty of our planet and those who are less fortunate than ourselves.

Children are our legacy of love and we must protect their innocence and virtue. May this year, when all around us is in universal challenge; we pray for love and peace in the world.

Don't forget you are all loved and may God protect you all.

So much to look forward to, so little time to value the good things we have now. God bless you all and a Happy Christmas everyone.

Our Grateful Thanks

The Hightown Pub and Kitchen

Let's make a difference

This year, the staff at **The Hightown Pub and Kitchen** would like to do something to help those in need during these difficult winter months. However, with times being tough on everyone this year, instead of monetary donations we would like to run a "Clothes and Goods Drive" for the Whitechapel Centre in Liverpool.

A full list of donations they are in need of can be found at:

www.whitechapelcentre.co.uk/donate-goods.html

The Whitechapel Centre is the leading homeless and housing charity for the Liverpool region. It works with people who are sleeping rough, living in hostels and those suffering from poverty related problems.

It is an independent charity which works to improve the health and social wellbeing of communities they serve and to make a positive impact through the employment and volunteering opportunities they provide.

Donations of good quality clothing, shoes, accessories, new underwear, new towels, new bedding and unused toiletries are all needed for the Centre users.

The Hightown Hotel has kindly offered to accept these donations on behalf of the Centre and items can be dropped off between 11 am and 4 pm, until the end of December.

People In Our Parish

Suzanne lives with her dad, Steve, in Northdunes and, after taking early retirement from a teaching career, now works for **The Brain Charity**, headquartered in Liverpool. Suzanne clearly loves her work. The Brain Charity offers emotional support, practical help and social activities to anyone with a neurological condition and to their family, friends and carers. There are more than 600 different neurological conditions: from more common and well known ones like stroke, brain injury and dementia to very rare ones like Alice in Wonderland syndrome.

The charity is the only one in the UK to cater for every one of them. They have been supporting people with neurological conditions for nearly 30 years, since 1993 and are now a national charity.

They help deal with all the questions people might have about living with a neurological condition.

These might include:

- **Employment issues and unemployment**
- **Applying for welfare benefits**
- **Housing ads & adaptations**
- **Legal advice**
- **Advocacy**
- **Practical information on a new diagnosis or how to live well with their condition**

They also have physical libraries, open to the public and staff, based in multiple hospitals across Merseyside.

Having a neurological condition can highly increase the chances of also developing a mental health condition. The majority of their service users also face things like depression, anxiety, loneliness and social isolation.

They provide free counselling to anyone affected by a neurological condition, including CBT and Person-Centred Therapy. This is currently taking place via phone or video call.

In addition, they run group therapy sessions, confidence coaching, phone befriending and host a range of different support groups.

Her dad, Steve, is a volunteer phone befriender and tells me that he loves the work. He recently presented the charity with a cheque. The Brain Charity are always looking for volunteers to do the same as Steve, so if you feel you may enjoy it, Suzanne suggests getting in touch with them. Likewise, Suzanne says, if you feel you may benefit from advice or help, then please do not hesitate to contact them.

MUSHROOM STROGANOFF

This is a quick easy dish which makes a delicious supper or light winter lunch. You can use ordinary closed cup or chestnut mushrooms or a variety of bought woodland ones which give a different texture to the meal.

200-300g mushrooms, quartered

1 shallot, finely chopped

1 clove of garlic, finely chopped

30g butter

1 heaped tsp Dijon mustard

1 good slurp of cider vinegar

1 tsp thyme leaves

2 tbsp crème fraiche

Salt and freshly ground black pepper, parsley, basil or rocket (as garnish)

125g basmati rice or quinoa, freshly cooked or ready cooked from a packet. This is definitely not cheating – thank you, Jamie Oliver!

Set the rice or quinoa to cook whilst you make the stroganoff.

Melt the butter in a large, flat frying pan with a lid. Fry the shallot and garlic for about 5 minutes until they begin to soften. Add the mushrooms and thyme and stir well until coated with the butter. Cover and cook on a low heat for about 8 minutes.

Add the mustard, vinegar and crème fraiche. Stir well and add seasoning to taste. Cook for a few more minutes to ensure that all the flavours are combined.

When the rice or quinoa is cooked serve on individual, warmed plates topped with the mushroom mixture and garnished with the green herb of your choice.

Dear Editor,

I have been greatly upset ,of late, to see people dumping bags full of rubbish at the side of the bin in front of the Hightown Village Store. This bin is clearly marked 'Litter and Dog Waste'. Hightown is such a clean and tidy village, why spoil it for others by treating it in this way? Looking after the environment for future generations starts at home. Now is a good time to consider our New Year resolutions.

From an upset member of our community.

Autumn Years

Law Limited

Wills and Powers of Attorney are powerful legal documents. The skill in preparing the right document for your circumstances comes from knowing to ask the right questions coupled with the experience and expertise to draft it correctly; and thereafter ensuring that the formalities of finalising the document are properly adhered to. If you cut corners there is a risk that your loved ones will only discover the problems when it is too late - causing them stress, heartache and unnecessary financial loss.

Don't leave it to chance.

Make sure you only use an individual who personally is:

- a qualified professional
- a dedicated specialist
- highly experienced
- formally regulated by a recognised legal body
- insured as per regulatory requirements
- accredited member of Solicitors for the Elderly and STEP

Elizabeth Foggin TEP, Solicitor at Autumn Years Law is your local expert in:

- Wills & Trusts
- Court of Protection/ Deputyship
- Lifetime & Inheritance Tax Planning
- Lasting Powers of Attorney
- Probate & Estate Administration
- Elderly client services

Our friendly approach is both compassionate yet professional and as a company we are committed to providing you with high quality legal advice. Free home/hospital visits are available if you have physical difficulties in being able to come to us.
